JOINT COMMENTS OF PIEDMONT COMMUNICATIONS, INC.
AND OLD BELT BROADCASTING CORPORATION

Piedmont Communications, Inc., licensee of WJMA-FM, Orange, Virginia, and Old Belt Broadcasting Corporation, licensee of WSKS-FM, South Hill, Virginia (together, the "Joint Petitioners"), by their respective counsel, hereby show their continued interest in the proposal set forth in the Joint Petitioners' *Petition for Rule Making* in the above-referenced docket.

Joint Petitioners propose to change the community of license for WJMA-FM from Orange, Virginia to Midlothian, Virginia and to change WJMA-FM's channel allotment from Channel 255A to Channel 255B1. Joint Petitioners' proposal requests that the Commission amend the FM Table of Allotments to (1) allot Channel 255B1 to Midlothian, Virginia as that community's first local service, and (2) substitute Channel 270A for Channel 255C3 at South Hill, Virginia. If this Petition is granted, the Joint Petitioners will file applications for Channel 255B1 at Midlothian for WJMA-

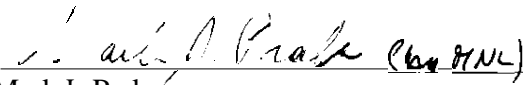

FM and Channel 270A at South Hill for WSKS-FM, and will construct their respective facilities if their applications are granted.

To accommodate their proposal, the Joint Petitioners requested substitution of Channel 271C0 for Channel 271C at Reidsville, North Carolina. Following the Commission's issuance of an Order to Show Cause, as requested by Joint Petitioners, Entercorn Greensboro License, LLC, licensee of Station WJMH operating on Channel 271C, Reidsville, North Carolina, notified the Commission of its consent to the requested channel substitution and attendant reclassification.

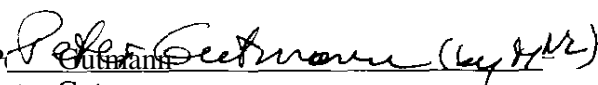

The public interest would be served by this proposal for the reasons stated in the Joint Petitioners' *Petition for Rule Making* and the *Notice of Proposed Rule Making*,

Respectfully submitted,
